## ***Windows that Whisper***

June 6<sup>th</sup> - July 7<sup>th</sup>, 2021

Presented at Isla Coffee Berlin

**Sandrine Deumier, Alex McLeod, Dagmar Schürer, Diana Lynn VanderMeulen**

---

Bringing some brightness to the public space of Hermannstraße, **synthesis** and **Sky Fine Foods** present a collection of video works by **Sandrine Deumier, Alex McLeod, Dagmar Schürer** and **Diana Lynn VanderMeulen**. Conceived during the harsh months of lockdown and curfew in Berlin, ***Windows that whisper*** is our response to a public longing for art in every day's environments. Bridging physical public spaces together with the intricacies of the digital worlds, *Windows that whisper* will shine out from the majestic windows at Neukölln's finest **Isla Coffee Berlin**. Giving shape and form to the amorphous space of the digital, the video works presented reflect on reversible identities and artificial behaviors, perception, and magical realisms, creating new paradigms of exchange between prose and object, self and its digital.
